

School Council Minutes

20/04/17 – Key Stage 2 – Ideas for playground equipment

We discussed suggestions for outside play equipment to be used during breaks and lunchtime. The children were very aware of difficulties, such as maintaining the equipment, the cost of buying equipment, and the safe and practical use of equipment.

We divided equipment into three categories: Large £££, Medium ££, Small £, and Unknown £?

- Climbing frame £££
- Games tables such as table tennis £££
- A new climbing wall ££ or the current wall to be fixed £
- A variety of balls £
- New Connect 4 counters £?
- New markings for the field £?
- Den making opportunities and equipment £?

We decided to meet after I met with HT for clarification on their wishlist.
