

School Council Minutes

27/04/17 – Key Stage 1 – Ideas for playground equipment

We discussed suggestions for outside play equipment to be used during breaks and lunchtime. The children were very keen on having more play based resources on the playground.

We divided equipment into three categories: Large £££, Medium ££, Small £, and Unknown £?

- Climbing frame with a slide £££
- Play house and contents £££
- A variety of balls £
- New markings for the playground £? (hopscotch, an alphabet, number lines, hundred square were suggested)
- Sandpit £?
- Fixed games on walls and fences ££
- Puppet show theatre £?
- A revamped quiet area with a cupboard for books and writing equipment (eg pens and paper)

We decided to meet after I met with HT for clarification on their wish list.

Next meeting TBC
