

Molehill Primary Academy Pupil Premium Rationale 2019– 2020

Pupil Premium is a government funded resource paid to schools to meet the needs of disadvantaged pupils. Any pupil who is eligible for Free School Meals now, or has been eligible in the previous 6 years, will receive funding. The funding is also provided to meet the needs of children in care to the Local Authority, children who have recently been adopted from care and children of Service families. The funding paid for each of these groups is different and varies year-on-year.

Who is eligible for Pupil Premium?

- Children in the Armed Forces Personnel
- Looked After Children
- Children adopted from care or who have left care

Children can have free school meals and are eligible for Pupil Premium if they receive any of the following:

- Income support
- Income Based Jobseekers Allowance
- Income Related Employment and Support Allowance (ESA)
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit provided you are not entitled to Working Tax Credit and have an annual income that does not exceed £16,190
- The guaranteed element of Pension Credit

Why Is Pupil Premium Important?

Nationally, there is a strong link between economic disadvantage and poor achievement in schools. Across the country there is a significant gap between the progress made by pupils eligible for free school meals and those who are not eligible. There are many reasons why this gap exists. Pupil Premium is given to schools to help us try to close this gap. It is important because it enables us to counteract the disadvantages that poverty imposes on children. It ensures we can put the support in place to help every child in our school thrive and fully master each stage of the curriculum.

Pupil Premium Pupils at Molehill Primary Academy

Molehill Primary Academy is a school with a high percentage of students (53%) defined as disadvantaged which is significantly above the national average. Both Pupil Premium and non-Pupil Premium students face similar barriers to their educational achievement.

The main barriers that disadvantaged pupils face are outlined below:

1. Limited opportunities to have literacy and conversational skills developed and extended outside of school.
2. Lack of access to enrichment activities, resources and support for achieving greater depth outside of the school environment.
3. Limited opportunities for exploring their community and the wider world.
4. Parental and community perceptions of the value of education and lack of confidence or experience which can prevent them from engaging with their child's learning.

Key Improvement Priorities to close or significantly diminish the gap between pupil premium pupils and non-pupil premium pupils are:

1. To develop how we organise and deliver a broad and balanced curriculum by implementing the IB PYP Framework. This will include developing a comprehensive, community wide approach; enabling all adults and pupils with a range of opportunities to use clear articulation, written and conversational skills that are practiced and modelled at all times.

2. Improved opportunities for pupils to be challenged across the curriculum; and to apply and extend skills in greater depth learning.
3. Improve links between the academy and local community, including residential, pastoral and business members.
4. To develop a range of enrichment opportunities before, during and after school.

We divide our funding into two main areas: raising achievement and promoting wider development. Within each area, there are two strands to our offer: The table below is used as a reference document to ensure any resource, strategy or intervention has a clear focus.

<p>1. Raising Achievement</p> <p>To close learning gaps and strive to ensure pupils all have the best outcomes possible.</p>	<p>1. Wider Development</p> <p>Ensuring that pupils have full access to all the educational opportunities to ensure their provision and raise confidence so that every child is ready and fully prepared for the next stage in their education.</p>
<p style="text-align: center;">Learning Skills</p> <p>The way that classes and staffing are arranged to maximise learning.</p>	<p style="text-align: center;">Enrichment</p> <p>The Academy contribution to trips, visitors, uniform and other opportunities to reduce the impact of disadvantage on educational experience.</p>
<p style="text-align: center;">Intervention</p> <p>Additional and different personalised provision in place to close learning gaps and maximise progress.</p>	<p style="text-align: center;">Guidance</p> <p>Additional advice and support given to individuals and families to reduce the impact of wider issues on educational success.</p>

Prior Attainment Information for Pupil Premium Pupils

In 2018-19 Molehill Primary Academy received a total of £ Pupil Premium funding as a direct grant from the DfE. 147 pupils were registered with entitlement with a percentage of 54%. In 2018 our results were as follows for **all disadvantaged pupils**.

2017 – 2018 Results	KS2 Pupil Outcomes % of pupils achieving or exceeding expected national standards			KS1 Pupil Outcomes % of pupils achieving or exceeding the expected national standard		
	PP %/No.	All Pupils %/No.	National (all pupils)	PP %/No.	All Pupils %/No.	National (all pupils)
Reading	%	61%	73%	%	67%	75%
Writing	%	84%	78%	%	62%	69%
Maths	%	73%	79%	%	62%	76%
GPaS	%	55%	78%	n/a	n/a	n/a

2017 – 2018 Results	EYFS Pupil Outcomes % achieving or exceeding the expected national standard		
	PP %/No.	All Pupils %/No.	National All pupils
Good Levels Of Development (GLDs)		73%	TBC

Year 1 Phonics (% of Pass/Fail)			Year 2 Retake Phonics (% of Pass/Fail)
