

Kangaroo Class Letter

Mrs Jasper and Mrs Maskell are missing you all and have been finding activities to occupy ourselves at home. We hope that you are all safe and well and can't wait to see you all again. We have been busy providing you with fun activities to do at home and hope you have enjoyed them. To place a smile on your face we thought we would share some of the things we have been doing. We would love to see what you have been doing at home to. Remember you can join us on the google classroom using the code 2amjvsf to say how you are and say hi you your friends.

I have been on some lovely walks with my daughter and have seen some stunning flowers and scenery. I spotted a robin and a rabbit in the distance. My favourite is seeing the blossom on the trees and the colourful flowers.

For our daily exercise my daughter's and I have enjoyed bike rides together. We often cycle to Mote Park. One of my favourite places to go.

Last week I was busy cooking. I learnt new recipes and made homemade white onion, leek and roasted sweet potato soup. It was wonderful to eat with my girls. (Mrs Jasper)

I have also been busy home schooling my children and celebrating my daughters 10th birthday. We had a lockdown party and played games and ate lots of party food. Here is our party table.
