

Dear Wallaby Class

Miss Holdaway, Mrs Marno and I are really missing seeing everyone in Wallaby Class! We hope that you are keeping well and enjoying spending time with your families.

We have been having lots of fun on Google Classroom, sharing learning ideas, stories and websites, celebrating special

occasions, and sharing drawings and other artistic creations. The best part of Google Classrooms is that we can talk to each other, ask questions, and help each other to smile if we are feeling a little sad.

At home, I have been doing lots of art and craft activities, reading books and magazines, and I have remembered how much I love to bake! Here's a cake I made on April 1st...

I know Mrs Marno has been baking and reading lots too.

Miss Holdaway has been going for long walks in the beautiful countryside where she lives, gardening, and preparing decorations for the VE celebrations for Friday 8th May.

We would love to hear from you, so please email us at our class email, or through the school 'contact us' link:

Take care, look after each other, and keep safe. From Miss Daniel, Miss Holdaway and Mrs Marno .
