

Kestrel Class

Newsletter – Term 2

Where we are in place and time

Exploration leads to discovery and may develop new understandings.

This term, Kestrel's line of inquiries are to inquire into the reasons for exploration (both historical and personal); investigate the feelings and attitudes that are associated with exploration; investigate the methods used for navigation and explore what we can learn through explorations. Through our lines of inquiry, we shall be looking at explorers throughout time such as The Vikings and space explorers.

English Skills

We will be working on including modal verbs in our writing as well as including subordinate clauses and relative clauses with the correct punctuation.

Maths Skills

This term we will be using formal methods for multiplication and division and looking at statistics.

To help with multiplication and division it is important to practise our times tables daily.

Homework

Homework is set on a Monday via Google Classroom and is due the following Monday.

Homework consists of: spellings, maths, reading and an additional activity.

It is important to read daily for at least 20 minutes.

Additional Information

Class email address:

kestrelclass@molehillprimaryacademy.org.uk

Google classroom code:

bu3vsng
