

Dear Parents/Carers,

As part of the children's learning we often share film clips. We also use films as part of our end of term rewards and as a wet playtime activity.

We aim to use U rated films as much as possible but there are sometimes occasions when we need to use PG rated films/film clips.

If you would prefer your child not to watch a PG film, please can you make your child's class teacher aware.

Many thanks

Key Stage One team
